

Summary Profile

WE ARE IMAGINING AFRICA'S FUTURE AND SHAPING IT THROUGH CUTTING EDGE SOLUTIONS.

Rock is a foundation extended to our partners for the attainment of greater heights irrespective of their baseline.

ABOUT US

We are a Pan African network of multilingual advisors providing innovative solutions to governments, corporations and investors active on the continent.

At Rock, we believe in matching opportunities with Africa's brightest minds across various economic sectors. Rock leverages local knowledge and global networks in a continuous effort to unlock the vast potential of African economies.

OUR SERVICES

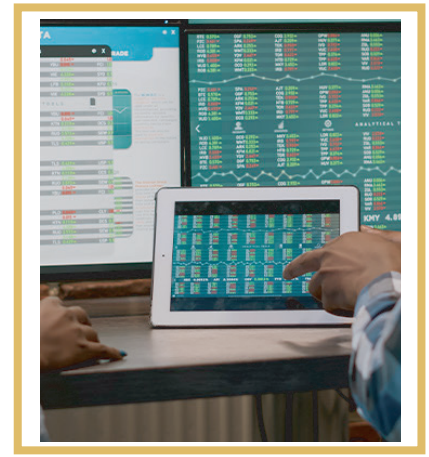

PUBLIC SECTOR ADVISORY

Our public sector experts have a proven track record in providing leadership at the highest levels of national governments and multilateral institutions with deep knowledge of broad range topical issues.

PUBLIC PRIVATE PARTNERSHIPS

Rock's PPP in-house and independent consultants are experts in design, structuring, documentation and resource mobilization for faster execution of PPPs.

RESOURCE MOBILIZATION

Rock's mission is to mobilize resources locally and internationally for the sole purpose of building the Africa we want.

PRIVATE SECTOR ADVISORY

Rock's private sector experts are former high-ranking executives drawn from the capital markets and corporates with hands-on experience in:

- Capital structure optimization
- Cost rationalization
- Culture transformation
- Commercial partnerships
